Garden Address *(leave blank if same as mailing address)*

Sample Description

Tip: Is this a private home garden, community garden, farm, school garden, soil pile, etc.? Is this from a yard or raised bed? How close was this sample taken to a house, street, or potential source of contamination? Has this soil been amended or remediated? At what depth was the sample taken, or is it a surface sample?

Sample ID <i>(must match sample on bag)</i>	Tests Requested <i>(check boxes that apply)</i> <input type="checkbox"/> Soil Heavy Metals - \$18 <small>Includes XRF + pH</small> <input type="checkbox"/> Soil Heavy Metals Plus - \$24 <small>Includes XRF + pH + Texture</small> <input type="checkbox"/> Total Soil Health - \$45 <small>Includes XRF + pH + Texture + Nutrients + Dissolved Solids</small>
